*The REAL Bark is proudly known as a **501(c)3 Non-Profit Rescue** that takes on the most difficult of cases. The Paralyzed, and Traumatized have a safe spot with us as we do lengthy rehabilitation with a regular rotating number of special 'Project Pups.'*

From the streets and shelters of Los Angeles, to International dogs in dire need, we humbly – and for years – have been taking discarded, abused, and forgotten lives into our own – healing them – and gently placing them back on a path toward a NEW Protected + Celebrated Life.

*The "REAL" in our Team name stands for:
RESPONSIBLE – ETHICAL – ANIMAL – LEAGUE.*
